Dear Mr. Ching:

Re: Map Keys: 2-1-049: 0050, 070, and 072

We have decided to withdraw our application for 803 Waimanu or as known by the project name on the HCDA forms: KAK 13-019. We are withdrawing due to a new development plan that we will be submitting that is more in line with the community input heard at the various public meetings held on the current project.

Sincerely,
